**CZARA Team,** (Jayne Carlin, Jenny Wu, Alan Henning, Jennifer Byrne)

I want to thank you all for your incredible dedication, focus and perseverance on the Oregon CZARA work. In the heat of the intensity of activity this past year, I haven't always been able to acknowledge all the incredible work you have done. I want to take this moment to pause to thank and congratulate you all on the absolutely first-rate work you have done as a team to get us where we are today in this nationally precedent setting CZARA work. The level of communication, analysis, and teamwork on Oregon's CZARA review was exceptional. I greatly appreciate the intense, deadline-driven work you accomplished. You are part of a significant shift in environmental protection of which we are all very proud. Thank you.
